

User testing

MVP (Prototype)

Prog1004 - Group 25

Participants:

Participant	Age	Gender	Occupation/education
Participant 1	24	Male	Economist
Participant 2	18	Female	Pupil
Participant 3	55	Male	Plumber
Participant 4	22	Male	Graphic designer

Improvements base on participants:

Participant comments	Improvements
Navigation is confusing, especially side menu.	Clearer side menu.
Sorting of tabs is too confusing.	Improve navigation.
The program is unorganized.	Look at ways to improve UI.
Create task is a bit awkward	Look at different ways to create task
Priority is confusing.	Change priority to low, medium, high
